With just a \$1,000 initial investment, you will gain access to time-tested investment strategies that have historically been reserved for our largest clients. Choose from a variety of accounts—Individual or Joint Accounts, Traditional or Roth IRAs, or Coverdell Education Savings Accounts. Make your investment automatic by choosing our systematic investment option. And, they are no-load!

If you're looking to make a change to your portfolio, invest with First National Bank, a family-owned institution you've relied on for 150 years. Our goal is to provide a superior and diversified product offering by offering a mix of funds advised by First National of Nebraska, Inc., and its affiliates. Where prudent, we may also use sub-advisors to ensure a truly diversified product offering that gives our shareholders the "best of the best".
